

Removing the Interference program

Over up to 7 months, first check that all 35 (unidentified) corrections are in place for completion.

Then

1. Correct Merkaba spin on all 7 levels of structure
2. Restore Shields so they can receive kundalini:
 - A. Delete Metatronic influences
 - B. Restore angular coherence
 - C. Integrate to each other
 - D. Reconnect to solar level
 - E. Correct for transmission to rest of being (make sure connected to trinary principle)
3. Strengthen to letting go of all data not necessary for current lifetime.
4. Terminate all artificial frequencies used as weaponry with intent to harm.
5. Release lock on 12th chakra
6. Terminate script locator.
7. Terminate script trigger.
8. Terminate script time code or duration code.
9. Facilitate activation of sphenoid bone.
10. Terminate REM deprivation programs from my required sleep pattern to function optimally.
11. Assert free will.
12. Clear artificially imposed alpha waves
13. Reestablish relationship to Silence
14. Delete Metatronic influences from DNA template (13 steps)
15. Correct cerebellum, autonomic physical memories and muscle sensory memories.
16. Delete Metatronic influences from DNA template (13 steps)
17. Restore communication through Kathara points Sequence 2 (two below ears, two below cheekbones, two at base of tailbone, thymus, and amplifier at solar plexus point if needed)

Clear all

- | | |
|-----------------------------------------------------------|---------------------------------|
| 1. overlays (slime) | 7. kept apart from Earth astral |
| 2. incoherent structures | 8. kept in a timeline loop |
| 3. missing parts | 9. Monitors (8 kinds) |
| 4. added parts (eg 19 implants, firmware, programs) | 10. Destabilizers |
| 5. misaligned parts (due to effects of artificial matrix) | 11. Stop points |
| 6. coffin around | 12. Gray areas |
| | 13. Punctures |

Also check for and remove

1. contracts
2. vows
3. spells
4. damaged hardware (crystals, energy lines)
5. lust and other damaging ego distortions
6. others' decisions and judgments (to whom power has been given)
7. excess toxicity (physical shock)
8. shock (non-physical)
9. hopelessness programs
10. any other interference with I AM
